

MEDICAL.

DAVID CRAIGHEAD.

Wholesale and Retail Dealer in Drugs, Medicines Paints, Oils, Furnishes, Dye Staffs, Glassware, Window Glass, White Lead, Putty, &c.

WHILE respectfully addressing his old customers, and the public generally, he has returned from Philadelphia, New York, and Boston, where he has selected with great care, and purchased an extensive and general assortment of all articles in his line, and which he is now offering. He will supply physicians, apothecaries, druggists, Chemists, Podlers, Painters, Fitters, Invaders, &c., and assures all that he can now offer induce prices to dealers that cannot be surpassed in West Virginia, and which are equal to those in New York. Particular attention will be paid to filling prescriptions and compounding medicines, and the store will be opened at any hour of the night when called on.

DRUGS AND MEDICINES.

THE subscriber could respectfully inform the public and their friends generally, that they have at this time a large and well selected stock of

Fresh Drugs and Medicines,

which have been purchased with care and will be sold as low as any other Drug Store in this place.

We especially ask our friends and the public to give us a call

at our drug store, 15-16 December, 1846.

J. J. OWLESY & CO.

FLETCHER'S

Celebrated Imperial Ague and Fever or

Toxic Pills.

THE properties of this valuable remedy for Ague and Fever, are well known to every physician and manufacturer in the country, of which the remedy is now often named. The universal prevalence of the Ague and Fever, and Intermittent Fever, throughout the States of America, render it difficult to perform any medical exertion from its incapacity render it so well known, that it often upsets systems of pathology, seems wholly unnecessary. It may, however, with propriety, be said, that the present mode of treatment for the Ague and Fever, "affords less to diseases more fatal in their nature, among which may be classed, those of the Liver and enlargement of the Spleen, commonly called Ague Colds, which in too many cases prove fatal."

Thousands of certificates might be produced in reference to the efficacy of the Pills now offered to the public, and we trust, in a few words, to state the reasons for the success of the remedy, of which the remedy is now often named.

The universal prevalence of the Ague and Fever, and Intermittent Fever, throughout the States of America, render it difficult to perform any medical exertion from its incapacity render it so well known, that it often upsets systems of pathology, seems wholly unnecessary. It may, however, with propriety, be said, that the present mode of treatment for the Ague and Fever, "affords less to diseases more fatal in their nature, among which may be classed, those of the Liver and enlargement of the Spleen, commonly called Ague Colds, which in too many cases prove fatal."
